

# UNIVERSITY OF CAPE TOWN

Faculty of Health Sciences  
Class of 1960 Reunion  
10-12 December 2010

Please complete and return this form to Joan Tuff as soon as possible to facilitate the organisation of this auspicious occasion and to secure your participation in a fun and enjoyable weekend.

Most of you will probably not be attending every function with your spouses and you probably haven't made up your mind yet anyway. The answers to the questions therefore do not need to be totally accurate at this stage but will at least give us an idea of numbers. Exact details will be needed in our final mailing due to go out in early September and which will contain the itemised billing sheet.
